Background: Our vision is to create a relaxed, calming environment that provides the setting for mind, body, and spiritual wellbeing and renewal. Every detail, from beginning to end, of our customer's visit is vital to the experience we provide to them. We expect our Float Guides to execute this vision. We are now hiring for several part-time Float Guide positions for day-to-day interactions with clients and upkeep of the Float spa. Our Float Guides will adhere to all policies and procedures as set forth by management. Bonus: free floating at our facility as a staff member.

Job Description / Primary Responsibilities:

- Float Guides will educate and prepare clients for their float therapy sessions, as needed, and guide the customer's float experience from beginning to end, with a positive and supportive demeanor.
- Daily responsibilities include float suite prep and clean-up, and ensuring cleanliness of all common areas, including the reception area, decompression lounge, and bathrooms. Wash towels.
- Escalate issues and concerns to Float Asst. Managers and/or General Manager.
- Solicit feedback from customers and make recommendations to management.
- Process customer payments, answer phone, and book float appointments.
- Some social media interaction and updates may be requested.
- Be a Float enthusiast! (Previous floating experience is not required but a passion for health and wellness is!)

Experience: Experience working in a retail shop or spa is a plus.

Start date: late August
